Letter of Recommendation for Stayne Hoff
September, 2003

To Whom It May Concern:

I had the pleasant opportunity to work for, and closely with, Stayne for over two years during his employment at G&H Technology, Inc. He was the head of my department for a majority of that time, and we collaborated on several projects together. I am pleased to say that Stayne is a team player in the truest sense of the term, a kind and sincere individual and an ideal coworker.

Stayne always did more than his share of the work on the projects we shared. He often took the initiative to get things started and picked up the slack when things were going slowly. I was glad to work with him, since the higher-ups always praised the assignments we completed together. Stayne was nice to everybody at the office, and just about everyone seemed to like him.

I highly recommend Stayne for whatever position he may decide to take up next. He is the type of employee that anyone would be happy to work with.

Sincerely,

A handwritten signature in cursive script that reads "Patrick Laughlin". The signature is written in black ink and is positioned above the typed name.
